**MOTION ON CONSENT TO CONTINUE SUSPENSION OF PROCEEDINGS
AND TO EXTEND DISCOVERY PERIOD IF OPPOSITION IS RESUMED**

Opposers, by and through counsel, hereby move for an order further suspending the opposition proceedings in this matter for a period of three (3) months, until **July 25, 2011**.

Applicant's counsel consented to this motion, which is requested to allow the parties to continue to engage in settlement discussions.

Since the matter was last suspended progress has been made. Opposers reviewed and commented on a draft settlement agreement prepared by Opposers' counsel. The additional time is needed for Opposers' counsel to convey the revised draft agreement to Applicant's counsel with explanatory comments, for Applicant's counsel and Applicant to review and consider the draft settlement agreement, and for Applicant's counsel to revert to Opposers' outside counsel with Applicant's comments, if any, in connection with the draft settlement agreement. If

executed by both parties as currently drafted, the settlement agreement would resolve the matter between the parties without the need to continue with the opposition.

In the event that the Board denies this motion, Opposers consent to an extension of time for Applicant to file an answer or otherwise respond to the Notice of Opposition until sixty (60) days after such denial.

If the Board grants this motion, the Board should also reset Applicant's time to answer or otherwise respond to the Notice of Opposition. Additionally, the parties request that six months of discovery be allowed and that the discovery cutoff be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved.

The trial periods and other periods should be reset accordingly.
